## A Note From The

Dear Esteemed Members.

Greetings from The ZON and welcome to our first issue of our digital The ZON Newsletter.

The ZON Newsletter turns digital from this quarter onwards instead of the print version – 100% less paper. We appreciate comments we received from many of you during the past year informing us your preference to digital reading as in turn, lesser trees will be cleared for lesser paper production and our modern society that is moving increasingly away from hardcopy publishing to electronic mediums. We hope you will find it more useful.

To continue to celebrate your shopping life with us, The Songkran Festival (also known as the Thai New year or Thailand Water Festival) will be celebrated on 13th April 2015. Hence, a must to visit The ZON outlets situated at the border towns of

- Pengkalan Hulu in Perak
- Bukit Kayu Hitam in Kedah
- Padang Besar in Perlis and
- Rantau Panjang in Kelantan

first before crossing over the border to enjoy The Songkran Festival as we are sure you would not want to miss the exclusive discounts, special buys and rewards prepared exclusively for you.

Don't forget, too to show your mom how special she is to you. Our unique Mother's Day exclusive promotion deals will make her smile!

It's a tremendously exciting time for us at The ZON and I am deeply honored to be part of such a milestone. The ZON Community Loyalty Program has played such an important role to us as it is a representation of how much we've grown as a company. Without you, our esteemed members, we would not be where we are today.

In appreciation,

David Chiam
