An Exciting Quarter

Dear Esteemed Members,

Welcome to our paperless 9th edition of The ZON Newsletter and we have exciting news!

For starters, the option of digital reading has been a topic of interest since last year but as with any decision, there were number of factors that made it high priority now. These include:

- Comments we received from many of you during the past year that would prefer to subscribe to digital reading
- Lesser trees will be cleared for lesser paper production
- Our modern society that is moving increasingly away from hardcopy publishing to electronic mediums

We are pleased to announce that we have decided to go 100% paperless effective 1st September 2015 via this 9th issue of The ZON Newsletter (SEP-NOV 2015) and future quarterly issues. Please visit our website: www.zon.com.my; click on The ZON Newsletter and you can continue to stay informed with The ZON's latest news, promotions, discounts and rewards on desk tops and mobile devices.

Now let's talk about SHOPPING! This one word, birthed from a place of great intentions has improved our outlook to being more blissful and jolly especially towards celebrating all festive celebrations here in Malaysia. Festival of Lights is around the corner and this coming 14th November will be again, one of the busiest shopping days of the year: YEAR END SALE. You can expect an interesting line-up of nationwide shopping promotions in our selected outlets.

We would like to announce that our Duty Free outlets at Airside in airports are participating in the *NO GST Campaign*. More exciting information awaits you as you unfold the following pages.

Lastly, we hope the Festival of Lights bring you and your loved ones joy, prosperity and peace.

With thanks and appreciation,

Ms. Ooi Poay Hoon

For peat lovers, Ardbeg 10 Year Old is probably the highest-quality 'entry-level' single malt on the market, and the distillery many Islay connoisseurs would choose as their favourite.
