Rémy Cointreau Global Travel Retail, in partnership with DFZ Group at Kuala Lumpur International Airport (KLIA), has recently launched the first two expressions of the Remy Martin Cellar Master's Selection of Fine Champagne Cognac. The two global retail exclusive Cellar Master Selection, **Rémy Martin 'Prime Cellar Selection' Cellar N°16** and **Rémy Martin 'Reserve Cellar Selection' Cellar N°28** are on display at KLIA pop up store from July to September 2016. Travellers will be able to engage with the Remy Martin brand and learn more about the origin and characteristics of the two expressions through display showcases and graphics, completed with an engaging aroma experience station at the pop-up store.

Rémy Martin Cellar N°16 is called the "Prime Cellar Selection" as Cellar N°16 contains new casks that are the prime location for aging. The new casks, coupled with the warmer air in the upper tiers of the cellar, bring about the intense vanilla notes which are one of the main characteristics of the cognac. In contrast, **Rémy Martin Cellar N°28** is derived from Cellar N°28 which contains old casks placed underground for optimum aging conditions. This results in a cognac with silky and candied fruit notes. The cognac is also known as "Reserve Cellar Selection" because Cellar N°28 contains the best reserve for the finest eaux-de-vie.

HUGO BOSS

Get Closer.

THE SCENT
FOR HER

BOSS THE SCENT FOR HER, the new seductive perfume for women. Inspired by a journey of powerful seduction, BOSS THE SCENT FOR HER exudes a sublime feminine elegance, warmth and seductiveness that unfolds gradually over time drawing the BOSS woman and the BOSS man closer.

In the Top note, the fruity and floral Honeyed Peach and Freesia meet in an exquisite, head-turning combination attracting both protagonists with a sophisticated, yet light and delicate power. As the two get closer, warm and voluptuous heart notes of the oriental flower Osmanthus start to reveal themselves. It connects the top and base notes to one another; the initially light, delicate allure evolving into a darker, heady quality.

Locked together and powerless to resist, the fragrance unleashes an irresistibly rich base note of Roasted Cocoa. An enigmatic element with strong hidden qualities, it offers an addictive boost that arouses the senses, making the protagonists relinquish control in the moment. It creates an unforgettable memory that captivates both the BOSS man and BOSS woman equally; the closer they get, the more they discover its rich and seductive qualities.
